Golden Touch Dance Camps

The Golden Touch Dance Camp is designed to prepare girls for what it takes to be a successful dancer on a dance team. With the Union Grove High School Dance Program being one of the most successful dance programs in the state for the past ten years, we have brought in some of the former members of those teams to instruct during this week of camp. Directing the camp will be Kelley McBryde, a former team and individual, state champion, as well as a current Dancer on the University of Wisconsin Oshkosh Dance Team. Kelley and some of her former teammates will help the campers learn moves, become more flexible, and improve their skill level in the area of dance.
